The different things you can do using each site are summarised in brief.

JF Japanese e-Learning Minato

<https://jminato-jf.jp/>

Category Other

Level Beginner Intermediate Advanced

Minato is a platform that offers a place to learn and meet new friends. You can learn by choosing the course that suits your level, from six levels based on the JF Standard for Japanese-Language Education (JFS).

- * You can learn Japanese through an online course.
- * Participants of the same course can communicate on a thread.
- * In the community, you can interact with friends all over the world.
- * You can also learn through courses that offer live lessons.
- * Please register (it's free)

How to...

To enroll in the Japanese language course or to use the community page, you need to register as a user. First click "The Sign Up" button on the Top Page.
